CNP School Board

Dear Members of the CNP School Board,

I hope this letter finds you well. I am writing to formally request the approval of our Choctaw High School Track Teams to compete in the upcoming Bishop Lynch Track Meet in Dallas, Texas on March 5th, 2025. This event will provide our student-athletes with valuable experience, an opportunity to showcase their hard work and dedication on a larger stage and a fun experience for their hard work.

Competing in this meet not only allows our athletes to test their abilities against some of the best teams in the region, but it also fosters team camaraderie, and to continue to grow our GOLD Standard culture in the Choctaw Track Program. Participating in an out-of-state event will significantly enhance their track experience, and I believe it is an invaluable opportunity for both the present and future of our program.

We have made arrangements for transportation, accommodations, and all necessary health and safety measures to ensure our athletes' well-being during this trip. This trip will not be an overnight stay and we will return the same day in which we compete. I kindly ask for your support in approving this request so that we can take full advantage of this opportunity.

Thank you for considering our request. I am happy to discuss this further and address any questions or concerns you may have.

Sincerely,

Brad Clark
