Alternative Methods of Instruction

**The weather outside is keeping us home today, but it won't keep us from learning. Cozy up with your favorite blanket and try your best to complete this packet. When you finish, put the packet in your backpack so you can show your teacher all the amazing learning you did while you were at home. We can't wait to hear about your day!*

Health

Mindful Minute

For 60 seconds, clear your mind and only focus on your breathing. If your mind starts to wander, bring your attention back to your breathing.

PE

Get Outside

Go for a walk, build a snowman, play catch, or do what makes you happy. Try to pick something to help get your heart rate up.

Art

Doodle Art

Draw many lines with a marker on the paper and then fill in the spaces with colors/shapes/designs.

Music

Water Glass Xylophone

Compose a melody by filling glasses with different amounts of water. Gently tap with a spoon to hear the different pitches.

IDEA Lab

Build a boat out of foil that can float in a pan of water. Add pennies to the boat and see if it will still float. How many pennies can you add to the boat before it sinks?

PE

Parachute

With a friend or family member use a bed sheet like a parachute in PE. Lift it up and down to move air underneath the sheet.

Art

Draw what you hear

Select a piece of music (preferably without words) and draw what comes to mind. There is no wrong answer.

Library

Read your favorite book to someone. You can choose someone at home or Facetime/Zoom.
