

RESOLUTION NO. 24-49

RESOLUTION ADOPTING COMPATIBILITY, UNIFORMITY AND STANDARDIZATION FOR CAFETERIA TABLES AND CHAIRS AT THE OXNARD UNION HIGH SCHOOL DISTRICT

WHEREAS, the Governing Board of the Oxnard Union High School District (“District”) intends on expending funds on tables and chairs at Adolfo Camarillo HS, Channel Islands HS, Hueneme HS, Pacifica HS, Oxnard HS, Rancho Campana HS, Rio Mesa HS; and

WHEREAS, the District, pursuant to Public Contract Code Section 3400, intends to establish uniform and compatible Cafeteria tables and chairs in the Nutrition Services Department in order to maintain uniform table height, shape, and finishes within the District; and

WHEREAS, the District has found functionality, durability, and the cost of AmTab to be beneficial to the District and believes it necessary to establish a District standard to avoid inconsistencies in Cafeteria Dining Room tables and chairs, leading to issues and costs associated with repairs and replacements of tables and chairs. Doing so will avoid the waste of District funds associated with addressing inconsistencies in the future; and

WHEREAS, the District and its consultants have undertaken considerable research into tables and chairs that would properly serve the District’s functionality and safety in the Cafeterias; and

WHEREAS, the District’s existing Cafeteria tables and chairs are inconsistent, outdated, and need replacement. The District’s intent is to replace those existing Cafeteria tables and chairs to avoid the cost of repairing outdated furniture or could only be repaired after expending considerable District resources and funds; and

WHEREAS, pursuant to Public Contract Code Section 3400(c), the District desires to designate certain products/brands for current and future use to match items in District-wide Cafeterias, thus avoiding inconsistency issues; and

WHEREAS, the District has determined that due to the inconsistency issues which can arise with mismatched furniture, the only manufacturer(s) who may provide products are those as set forth in these documents unless overwhelming circumstances may be presented that other manufacturers can provide completely identical and compatible products; and

WHEREAS, the District has the ability to establish a Nutrition Services Committee comprised of Nutrition Services personnel that can meet on an as-needed basis to re-evaluate the District's Specifications related to Cafeteria dining room tables and chairs, as well as the District's findings and Specifications regarding the same. Based on the Nutrition Services Committee's evaluation of other products, manufacturers and products submitted by other vendors for proposed substitutions, the District may accordingly revise its Specifications and issue updated findings at the time of evaluation; and

WHEREAS, the District, pursuant to Public Contract Code Section 3400, intends to establish uniform standards for Cafeteria Dining Room tables and chairs for the following reasons:

1. To provide consistent and cost-effective maintenance, repair and replacement costs for the District by matching the existing AmTab tables and chairs in the course of completion.
2. To provide consistent and cost-effective replacement materials by obtaining warranties from a single manufacturer or vendor and eliminate the need for products or parts from various manufacturers or vendors.
3. To avoid additional time and costs in certifying non-AmTab tables and chairs.
4. It is more efficient and cost effective for District personnel to coordinate with one manufacturer, rather than several different manufacturers and systems.
5. AmTab meets or exceeds the District's design standards and Specifications.

NOW, THEREFORE, THE BOARD DOES HEREBY RESOLVE, DETERMINE, AND ORDER AS FOLLOWS:

Section 1. That the above recitals are all true and correct.

Section 2. That the District intends on expending considerable funds toward cafeteria tables and chairs at Adolfo Camarillo High School, Channel Islands High School, Hueneme High School, Oxnard High School, Pacifica High School, Rancho Campana High School and Rio Mesa High School and is concerned with the following critical issues:

1. That all Cafeteria tables and chairs throughout the District are compatible;
2. That all Cafeteria tables and chairs are uniform and consistent;
3. That all Cafeteria tables and chairs may be repaired on a District-wide basis; and
4. That all Cafeteria tables and chairs being utilized are standardized District-wide and under the same warranty terms and conditions.

- Section 3. That the District’s Nutrition Services Committee shall re-evaluate District Specifications on an as-needed basis and review the products and systems addressed in this Resolution based on issues of compatibility, durability, maintenance and other criteria as the Nutrition Services Committee deems appropriate.
- Section 4. That any vendor or manufacturer(s) may submit requests with appropriate back-up documentation and information to be considered as a District Standard. The Nutrition Services Committee shall evaluate all such requests as established by the Nutrition Services Committee when it re-evaluates the District’s Standards on an as-needed basis.
- Section 5. That the District has established that the Specification sections attached hereto as Exhibits to this Resolution, and no other Specification sections, are affected by this Resolution in connection with the District’s construction projects.

PASSED AND ADOPTED by the Governing Board of the Oxnard Union High School District on 9/11/24, by the following vote:

AYES:	5
NOES:	0
ABSENT:	0
ABSTAIN:	0

I, Elizabeth M. Botello, M.J. & M.Ed., President of the Oxnard Union High School District Governing Board, do hereby certify that the foregoing is full, true, and correct copy of the Resolution passed and adopted by said Board at a regularly scheduled and conducted meeting held on said date, which Resolution is on file in office of said Board.

 Elizabeth M. Botello, M.J. & M.Ed.
 President of the Board of Trustees
 Oxnard Union High School District

I, Genevieve Flores-Haro, Clerk of the Board of Trustees of the Oxnard Union High School District Governing Board, do hereby certify that the foregoing Resolution was regularly introduced and adopted by the Board of Trustees of the Oxnard Union High School District Governing Board at a regular meeting thereof held on the 11th day of September, 2024, by the above described vote of the Governing Board;

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the Oxnard Union High School District Governing Board this 11th day of September, 2024.

Genevieve Flores-Haro
Clerk of the Board of Trustees
Oxnard Union High School District

EXHIBIT “A”

AmTab designs, manufactures, and furnishes high-impact K-12 Dining Commons and K-12 Food Courts with out Furniture and Signage Graphics décor. All AmTab products and services help create inspiring learning environments and transformational learning experiences. We will help increase student engagement and student participation in nutrition services programs.

STANDARDS/FEATURES/BENEFITS

Increase profitability: Maximize revenue year over year consistently by appealing to students and staff as key clients. Win over clients from off-campus and external vending options.

Improve Experience: Accelerate student participation in School Breakfast and School Lunch Programs. Excite students with an interior design that exceeds typical restaurant or off-campus experience.

Increase Sense of Value: Demonstrate to students that they are cared for and valued during a time hen they can relax and socialize between classes. Increase ownership and hype of the school and learning environment. Nurture and build a sense of community and strong morale for students and staff.

Improve Flexibility: Optimize spaces to create multi-functional purposes for every educational square foot available throughout the day for the district, school, and local community.

Decrease Cost: Enhance traffic flow patterns leading to shorter and faster serving lines maximizing peak volume opportunities. Transform former low usage space into vibrant immersive spaces for student and community life.
