

JACKSON AVENUE ELEMENTARY SCHOOL

HOME OF THE STINGRAYS

Principal: Tom Jones

At Jackson Avenue Elementary, we provide children with a supportive educational environment that fosters responsibility, goal-setting, and a dedication to learning. In addition to building academic skills and providing a challenging curriculum, we strive to guide all children in developing self-respect and respect for others. We believe education is a cooperative effort of the school, home, and community. Our primary goal is to prepare students to become responsible members of their immediate community and, ultimately, the global community. The years from grades TK-5 are a time of uninhibited wonder, enthusiasm for learning, and rapid intellectual growth. We take advantage of this unique window to help every child obtain the best possible start as a lifelong learner.
