

EAGLE NEWS

Anderson Island Elementary

February 7, 2025

Good afternoon, Eagle Families,

We had a great week at school, and our students enjoy reading books and having fun with them. We have an exciting week ahead of us!

Next Monday, we will be celebrating our 100th day of school! This milestone means we are officially over halfway through the school year. To mark the occasion, our students will be receiving a new pair of shoes, thanks to the generous support of our American Legion Post. It's a great way to celebrate all our students' hard work this school year.

Just a reminder: next Friday, Feb 14th, we will not have school as it is an unused snow day. As a result, we'll have a four-day week next week.

We also get to celebrate two birthdays next week! We'll sing to Summer on Monday and wish Ms. Frye a Happy Birthday on Thursday.

Starting next week, my schedule will be changing. I will be at school on Wednesdays and Thursdays for the rest of the school year.

I'm so proud of all of our students and their hard work. Let's keep up the momentum and continue making significant gains together!

I hope you all have a fantastic weekend! Be sure to get some rest, enjoy the outdoors, and keep up the great reading!

I look forward to seeing you all on Wednesday.

Mr. Miller

News from the Classroom

Let it snow!

This week's weather was beautiful but definitely caused a few distractions. Please remember to send your student dressed for the weather (and possibly an extra pair of socks).

This week we started a new fairy tale, The 3 Little Pigs, and focused on the essential question of; How do good readers determine the "moral of the story" when reading a fairy tale?

In math we continued to work on adding and subtracting on a number line, multiplying using parentheses, and addition and subtraction word problems.

Next week we have two celebrations.

1. Although the official 100th day of school was on Thursday, Feb.6th, we will celebrate the 100th Day of school on Monday, Feb. 10.
2. Valentine/Friendship Day will be celebrated on Thursday, Feb. 13. We plan to make all Valentine cards at school and do not need any cards sent from home. We will have a craft party during the last hour of school on Feb. 13th.
