

Welcome to the 2024-2025 Junior Academy school year!

To ensure that your child is well-prepared for a successful academic year in all their classes, we have created a comprehensive supply list that covers the necessary items for each subject. Each subject may ask for additional supplies throughout the year, but these are the supplies that will be required.

Please review the following list and ensure that your child has all the supplies listed below **throughout** the school year:
