Safe Routes to School - February Principal's Update

Building Safer, Healthier Routes for Our Kids

Bike Skills Program - Starts in March! 🚲🚲

The Bike Skills Program is launching in March, teaching students essential biking safety skills like helmet fitting, riding in traffic, and bike maintenance.

Incentives: Students who complete the program will receive a certificate and have a chance to win bike-related prizes!

Walking Wednesday - Every Wednesday! 🚶🌱

Walking Wednesday encourages students to walk to school, promoting physical health and reducing traffic.

Ride for Reading - Local Meet-Up & Ride to School in May! 📖🚲

In May, we'll host a Ride for Reading event where students and families meet at a designated local spot, then ride together to school. This event combines biking and reading, promoting both physical activity and a love of books.

Get Involved

- Promote Programs: Share details through school newsletters, websites, and announcements.
- Volunteer: Your involvement makes a big impact—help with events and programs!
- Collaborate: Work with us to ensure safe walking and biking routes around the school.
