Classroom Teacher – Special Education

Job Description Summary

The Duquesne Education Center provides educational opportunities to learners in grades K – 8. A Classroom Teacher – Special Education (Teacher), acts as a keystone in facilitating and providing equal and high-quality educational opportunities to the community in which we serve. The Teacher works with guiding students in educational activities designed to promote intellectual, social and physical growth; teaches the essential skills that will contribute to students' development as educated and responsible adults; and creates lesson plans, administers praise and constructive criticism, instructs students on subjects such as science, literature, and math, and creates a well-rounded, comprehensive instructional program.

Special Education Teachers work with students who have learning, mental, emotional, and / or physical disabilities. In this position, the Teacher will develop and provide specialized instruction to meet individual student needs and teach various subjects to students with mild to moderate disabilities. The Teacher will evaluate and assess student progress against instructional objectives as well as following State and District mandated due process procedures and functions as IEP Manager to assigned students.

Qualifications

- Current PA teaching certificate. Additional and / or specific certifications may be required.
- Current PA Special Education certification required, N-12 preferred.
- Bachelor's Degree required.
- Current Act 33 / 34, Act 114, Act 151 clearances required.
- First Aid / AED / CPR certification required.
- Thorough knowledge of the principles, practices and procedures of special education and specialty area.
- Thorough knowledge of the principles and methodology of effective teaching of students with disabilities.
- Able to effectively analyze needs and problems objectively.
- Knowledge and skills in working with children who qualify for specialized educational programs.
- Demonstrated experience in teaching and working directly with students.
- Demonstrated experience in developing effective working relationships.
- Demonstrated experience in collaborating and communicating with internal and external groups (school administration and staff, community organizations, and parents.)
- Have an in-depth understanding and working knowledge of diversity, inclusion, and equity regarding students, staff, programs, services, and activities.
- Able to communicate, comprehend and perform complex computations.
- Experience collaborating with teachers, students, parents, families, community agencies and their representatives. Able to work effectively as a member of a team.
- Able to effectively present information, interpret data and articulately respond to questions from administrators, staff, parents, students, business and educational partners, and the general public.
- Excellent written, oral, presentation and interpersonal communication skills.
- Able to accept and provide constructive criticism.
- Able to work independently and complete assigned tasks with minimal supervision.
- Proficient with Apple, Windows, and Google based technologies and the willingness to experiment with new devices and instruments essential to the position.

Classroom Teacher – Special Education

Essential Duties and Responsibilities

- Provide research-based specialized instruction to address the instructional goals and objectives contained within each student’s IEP.
- Assess student progress and determine the need for additional reinforcement(s) or adjustment(s) to instructional techniques.
- Employ various teaching techniques, methods and principles of learning to enable students to meet established goals.
- Develop and implement annual Individualized Educational Program (IEP) plans for students to include, but not limited to:
 - Present levels of educational performance.
 - Special education needs.
 - Instructional goals and objectives, and
 - The special education and related services required to meet those goals.
- Coordinate the delivery of special education services in each student’s IEP.
- Conduct special education evaluations and reevaluations.
- Provide direction, supervision and evaluation of educational assistants as directed.
- Schedule team meetings and work collaboratively with SAP team members, regular education and specialized instructional teachers, etc. in developing instructional goals and strategies.
- Provide consultation to regular and specialized instructional teachers regarding classroom adaptations, instructional modifications, adaptive equipment, behavior modification plans and other similar instructional interventions to meet the needs of students with disabilities.
- Plan, prepare and deliver instructional activities based on District approved curricula.
- Create positive educational climates to facilitate student learning.
- Meet course and school-wide student performance goals.
- Grade papers, create / maintain reports and perform other administrative duties as needed.
- Maintain a schedule for student instruction approved by the Principal and adhere to that schedule.
- Maintain accurate pupil accounting records.
- Employ a variety of instructional techniques, instructional media, and performance assessments which guide the learning process toward academic achievement.
- Using Project Based Learning (PBL) methodologies, create projects designed to enhance lectures.
- Utilize school STEAM learning labs to facilitate learning objectives.
- Establish and communicate clear objectives for all learning activities.
- Maintain progress reports and / or report cards.
- Manage student behavior in the classroom by invoking approved disciplinary procedures.
- Develop incentives to keep participants in class.
- Provide for the care and protection of school property.
- Communicate in a collaborative manner with other school personnel to ensure compliance with policies and / or state regulations.
- Communicate with parents / guardians concerning the student’s educational program and progress.
- Develop professional relationships with outside agencies and programs.
- Cooperate with program coordinators to ensure initiatives are being met.
- Consent to unannounced classroom “walkthroughs” at which time individual students may be asked questions regarding their curriculum.
- Document in weekly lesson plans objectives being taught based on state standards.

Classroom Teacher – Special Education

Additional Responsibilities

- Participate in the business and professional activities of the faculty.
- Maintain personal professional growth by taking part in staff development, actively seek and develop effective approaches to instruction through the application of best practices in pedagogy.
- Attend all faculty meetings called by the Building Principal, Superintendent or designee before, during, or after school, unless excused by the person calling the meeting prior to the time of the meeting.
- Interpret the policies of the District to parents and other patrons.
- Execute the Board and Administrative policies within the classroom and community.
- Maintain strict confidentiality concerning student records in compliance with FERPA.
- Perform other duties as assigned periodically by the Principal, Director of Special Education, Superintendent or Designee in conjunction with the teaching duties and /or for the protection of the health and welfare of all students.
- All other duties as assigned by the Building Principal, Director of Special Education or Designee.
