Parents of 6th-8th Grade Athletes,

Mill Valley will offer a spring middle school ADP program starting Monday, March 3, from 4-5 pm in the Mill Valley weight room. Sessions will be every Monday and Wednesday from 4-5 pm. All current 7th and 8th graders are encouraged to attend. **Once middle school track starts, we will open the sessions to current 6th graders starting Wednesday, March 26th.** Please register at the following link: https://bit.ly/2025springadp

The registration fee is $25. The sessions are offered to provide a strength and speed development program. This program is designed to increase your speed, strength, agility and flexibility. It has a proven track record that involves strength training, form running, agility, plyometrics and flexibility training. Your athlete can and should expect improvement in each of these areas and in overall conditioning.

In the case of inclement weather, we will send information via an email for cancellations. High school athletes will take priority if they need to come inside from spring sports due to inclement weather. Register today at the above link.
