WHY STRIVE FOR 5

Maintaining consistent attendance, with no more than 5 days missed throughout the school year, lays a solid foundation for student success. Regular attendance ensures that students stay engaged with classroom instruction, enabling them to grasp key concepts and build upon their knowledge effectively. By attending school consistently, students establish routines that foster discipline and time management skills, qualities essential for academic and personal growth. Furthermore, consistent attendance facilitates strong relationships with peers and teachers, fostering a supportive learning environment where students feel connected and motivated to excel.

It's Amazing What One Parent Can Do!

Stamford's Parent Leadership Training Institute Design Team in partnership with the Stamford Public Education Foundation is pleased to announce Stamford's 25th Class of Parent Leadership Training Institute (PLTI) where in-depth leadership training will be offered to 20-25 selected participants.

Stamford PLTI is looking for parents, grandparents, guardians or other adults wishing to improve the lives of children, families, and communities to join the 2025 PLTI program beginning this January in-person.

Participants will become advocates for children through:

- Two Saturday community-building retreats
- A 9-week instructional course on community and personal development
- A 9-week civics course on politics, policy and media
- A written community project

Candidates will be selected from a pool of diverse applicants. The Institute is free; your contribution is your time and commitment.

The training will be offered with an all day retreat on Saturday, January 25th and classes continuing on Thursday evenings for 20 weeks until June. There will also be a Saturday session on March 29th. Class is from 5:30pm to 9:00pm, beginning with dinner, networking and social time from 5:30-6:00pm. The training will be offered only in English. Transportation and childcare may be provided as needed.

Children of PLTI participants ages 4-12 may participate in our Children's Leadership Training Institute (CLTI)- a literacy-based curriculum that parallels PLTI's weekly topics. Participating children get a new book every week!

For more information and to receive an application contact Regan Allan, PLTI Coordinator at (203) 539-1722 or rallan@spefct.org

PLTI is a CT Commission on Women, Children, Seniors, Equity & Opportunity family civics initiative. Mission Statement: The Parent Leadership Training Institute seeks to enable parents to become leading advocates for children. The cornerstones of the program are respect, validation, and a belief that when the tools of democracy are understood, the public will actively engage in civic life.

WHAT IS SNAP?

The Supplemental Nutrition Assistance Program (SNAP) is a federally-funded program administered by the U.S. Department of Agriculture (USDA) and the Connecticut Department of Social Services (DSS). SNAP offers nutrition assistance to eligible individuals and families and allows recipients to purchase healthy, nutritious food at participating entities. SNAP benefits are deposited monthly to an Electronic Benefit Transfer (EBT) account. Account holders are given a plastic EBT card that can be swiped like a regular credit/debit card. SNAP was changed from its original name, "food stamps" in 2008 to better reflect the program's purpose.

Politicas sobre celulares

Las Politicas de celulares estan funcionando.

Le agradecemos su cooperación y debida diligencia en esta importante regulación. A continuación se detallan más a detalle sobre los pasos que toma la escuela cuando hay una infracción

Una infracción significa cada vez que un teléfono celular/dispositivo electrónico está afuera y visible (en la posición de encendido)..

Cuando ocurre cualquier infracción, se siguen los siguientes pasos:

1. El teléfono será confiscado por el miembro del personal de la escuela.
2. El miembro del personal de la escuela llamara a seguridad/oficina para enviar el teléfono al administrador responsable del departamento /aula.

ADVERTENCIA: Se ha dado una advertencia a todos los alumnos MYP durante las asambleas de nivel de grado y los debates con los profesores . No se darán otras advertencias.

PRIMERA VIOLACION: El administrador retendrá el teléfono durante el periodo y el estudiante puede venir a recogerlo una vez finalizado el periodo en el que e confisco el teléfono.

SEGUNDA VIOLACIÓN: El administrador retendra el telefono hasta el final del dia.

TERCERA VIOLACION: Solicitamos que los padres contesten el teléfono al final del dia. El administrador retendrá el teléfono todas las mañanas hasta el final del día hasta que recupere el privilegio.

Los estudiantes se registraron por la mañana y entregaran el teléfono al administrador/oficina. El estudiante recogerá el teléfono al final del dia. El periodo de tiempo que se establece este acuerdo dependiendo de la buena conducta del estudiante y del reconocimiento de las violaciones.

POR QUÉ ESFORZARSE AL 5

Mantener una asistencia constante, sin faltar más de 5 días a lo largo del curso escolar, sienta unas bases sólidas para el éxito de los alumnos. La asistencia regular garantiza que los alumnos sigan participando en las clases, lo que les permite asimilar los conceptos clave y ampliar sus conocimientos de forma eficaz. Al asistir a clase con regularidad, los alumnos establecen rutinas que fomentan la disciplina y las habilidades de gestión del tiempo, cualidades esenciales para el crecimiento académico y personal. Además, la asistencia constante facilita unas relaciones sólidas con compañeros y profesores, fomentando un entorno de aprendizaje en el que los alumnos se sienten unidos y motivados para sobresalir.

¿QUÉ ES EL SNAP?

El Programa de Asistencia Nutricional Suplementaria (SNAP) es un programa financiado con fondos federales administrado por el Departamento de Agricultura de los EE. UU. (USDA) y el Departamento de Servicios Sociales de Connecticut (DSS). SNAP ofrece asistencia nutricional a personas y familias elegibles y permite a los destinatarios comprar alimentos saludables y nutritivos en las entidades participantes. Los beneficios de SNAP se depositan mensualmente en una cuenta de Transferencia Electrónica de Beneficios (EBT). Los titulares de cuentas reciben una tarjeta EBT de plástico que se puede deslizar como una tarjeta de crédito/débito normal. SNAP cambió su nombre original, "cupones de alimentos" en 2008 para reflejar mejor el propósito del programa.
