Student Dress

1. Shorts must be 1” below fingertip length
2. No tank tops
3. No baggy clothing
4. No hats, toboggans, or head coverings (unless it is for a religious or cultural purpose and you have spoken with the administration regarding the head covering).
5. Clothing cannot promote alcohol or tobacco products or contain any inappropriate or vulgar language
6. Pants and shorts must be worn on the waist at all times.
7. Shirts must cover stomach when student raises arms over head.
8. Closed-toe shoes should be worn daily (no flip-flops please) to reduce injury in PE and recess.
9. No sheer or see-through clothing.

In the event the administration determines that a student’s clothing is inappropriate, he/she will be asked to not wear the clothing again, given the option to call home for the parent to bring other clothing, or the student will be given an alternate set of school donated clothing to wear for the remainder of the day.

*****Parents of K-1 students: please consider sending an extra set of clothing (underwear, pants/shorts, and socks) to keep at school. Sometimes the students have accidents and while we do keep extra clothing on campus for emergencies, having a child’s clothing on hand is the best option for the student. If the school doesn’t have clothing for the child, the parent will be called to come in with a change of clothes.**
