Career Day Event

Dear Middle School Students and Families:

On February 21, 2025, the Middle School will be hosting a Career Day event, from 9am-2pm, aimed at providing students with an engaging and interactive learning experience. This event will introduce students to a variety of career pathways and will support PA Career Readiness Standards.

Throughout the day, students will have the opportunity to meet with 10 of our 19 exhibitors, who have volunteered to share insights about their careers and the steps they took to achieve their current positions. Students will spend approximately 20 minutes with each exhibitor.

In addition to meeting with professionals from various career industries, students will receive valuable instruction on career development.

If you have any questions or concerns, please reach out to our School Counselor, Ms. Jena Bogovich.

Sincerely,
The Career Day Committee
