COUNSELOR'S CORNER

Hello Bulldog families!

My name is Mrs. Jordan, and as a school counselor, I'm here to assist with students' academic progress and overall well-being. Please don't hesitate to contact me if you have questions or need any support.

The [MHS Counselor Website](#) is a valuable resource for answering many of your questions, and I also send out regular emails with important updates to keep you informed.

PRINCIPAL'S PERSPECTIVE

The first six weeks has flown by, and I'm continuously impressed by the quality of our students and staff here at MHS. It's truly a blessing to be a part of the MHS family! The best way to keep up with all that is happening at the high school is to follow the MHS Facebook page where we highlight classroom happenings and extracurricular events. Our students and staff are doing amazing things in the classroom, on the court, on the field and in our community. Join me in celebrating our incredible community.

Blessed to be a Bulldog!

Mrs. Deaver

#We are Millsap!!!
