Early Morning & Extended Day Programs

Please scroll to the bottom of this page for information and registration for our **Early Morning Care** program.

Because space is limited in the CCPS Extended Day Program, pre-registration will begin for the 2025 - 2026 school year on May 19th.

The **Extended Day Registration Form** will be posted May 19th at 9:00 a.m. Please return to this page on May 19th to complete the pre-registration form.

If you visit this page prior to 9:00 a.m. on the 19th, you may need to refresh your browser at 9:00 to ensure the post containing the link is available.

Note: Submission of an EDP pre-registration form does not guarantee your child a spot in the program. You will be contacted by CCPS after the close of registration regarding your status in the program.

When registration opens, a new post will appear here. It will contain a link to the EDP registration form.
