

CATASAUQUA MIDDLE SCHOOL NEWSLETTER

February 2025

Principal's Message

We hope this letter finds you well. As we begin February, it seems winter has decided to stick around! Thank you for your continued support and understanding regarding our recent late starts and virtual learning days.

The Superintendent works closely with many individuals when making decisions about school operations, and the safety of our students and staff is always the top priority.

January brought us back to school after a long holiday break, and it took all of us some time to readjust and get back into our routines. It's been wonderful seeing your children each day, whether passing by the main office or in the hallways. Their smiles and polite demeanor are truly a reflection of their positive spirit and make them excellent representatives of our school!

We are already at the 100 day mark of the school year and have some exciting events planned and many educational field trips planned. Thank you for your continued trust and for granting us the honor of educating your kids.

Reminders

- First day forms /permissions and agreements need to be completed.
