### **Prohibition Against Sexual Harassment: Response to Reports of Sexual Harassment and Grievance Procedures for Formal Complaints**

The Amity Regional School District No. 5 (ARSD or District) will respond to all incidents of sexual harassment: (a) of which it has actual knowledge, and (b) that occurs within the school's education and program activity and c) occurs against a person in the United States.

“Actual knowledge” means notice of sexual harassment or an allegation of sexual harassment brought to the attention of the Title IX Coordinator, any official of the school who has authority to institute corrective measures on the behalf of the school, as well as to any employee of an elementary and secondary school. Accordingly, any ARSD employee with actual knowledge that sexual harassment is occurring shall notify the District's Title IX Coordinator.

Education program or activity includes locations, events, or circumstances over which the school exercises substantial control over both the respondent (perpetrator of sex discrimination/sexual harassment) and the context in which the sex discrimination/sexual harassment occurs. In addition to occurring on school grounds, sex discrimination/sexual harassment may potentially occur off campus, in places or situations where athletic and extracurricular activities occur, on field trips, on the school bus, at school-related conferences, or through use of school technology, depending upon whether the ARSD exercises control over both the respondent and the context in which the sexual harassment occurs.

### **Reporting of Sexual Harassment**

#### Informal Reports

Any person, including parent/guardians, students, employees and third parties, may report sexual harassment occurring in the ARSD's education program or activity. Reporting may be in person, by mail, telephone, or by electronic mail, using the contact information provided for the Title IX Coordinator. Reports may be made during non-business hours. Reports may be made anonymously. When a reporter fails to identify a specific complainant (victim of sexual harassment) or to identify him/herself as the reporter, the ARSD's response may be limited. Informal complaints will be accepted in any form; however, forms for making both informal reports and formal complaints are available on the ARSD website and from the Title IX Coordinator.

#### Formal Complaint

While third parties may make informal reports of sexual harassment occurring in the ARSD's education program or activities, a formal complaint may only be made by a complainant or be signed by the Title IX Coordinator, triggering an investigation. A formal complaint is a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment and requesting that an investigation commence.

While there is no time limit for making an informal report or filing a formal complaint of sexual harassment, reporters/complainants are encouraged to promptly report incidents of sexual harassment to avoid the potential loss of evidence, a lapse in the memories of parties or witness, or

the unavailability of persons key to an investigation. The ARSD understands that a victim may decide not to report sexual harassment, to file a formal complaint, and/or may decide to wait to come forward with a report/formal complaint for a variety of reasons. The ARSD respects complainants' decisions. However, the Title IX Coordinator has discretion to sign a formal complaint that initiates the grievance process where necessary to avoid deliberate indifference to sexual harassment even without a formal complaint from the complainant.

Forms for making both informal reports and formal complaints are available on the ARSD's website and from the Title IX Coordinator.

Supportive measures will be offered to a complainant with or without a formal complaint.

### **Response Including Supportive Measures**

Upon actual knowledge of sex discrimination/harassment, the Title IX Coordinator will promptly contact the complainant to advise and discuss with the complainant (1) the availability of supportive measures (with or without a formal complaint) and consider the complainant's wishes with respect to supportive measures, (2) the right to file a formal complaint, and (3) how to file a formal complaint. The complainant shall be provided with a copy of the Board's policy prohibiting discrimination and these regulations containing its grievance procedure.

With or without the filing of a formal complaint, a complainant as well as a respondent shall be offered, free of charge, non-disciplinary, non-punitive individualized supportive measures. Supportive measures are designed to restore or preserve equal access to the education program or activity, protect the safety of all parties and the educational environment, and deter sexual harassment, without unreasonably burdening the other party.

Supportive measures may include, but are not be limited to:

- Counseling
- Course adjustments
- Modification of work
- Modification of class schedules
- Escorts
- Increased monitoring
- Restrictions on contact

Supportive measures may be modified at any time as appropriate based upon changed or evolving circumstances and may be offered before or after the filing of a formal complaint or where no complaint has been filed at all. Supportive measures may also be part of any ultimate remedy.

### **Prohibition Against Sexual Harassment: Response to Reports of Sexual Harassment and Grievance Procedures for Formal Complaints**

No disciplinary action or other punitive measure for sexual harassment shall be taken against a respondent without first following the grievance procedures set out herein and a determination of responsibility has been made. If the respondent has engaged in conduct other than sexual harassment in violation of a code of conduct or similar restriction, the respondent may be disciplined for such action(s) notwithstanding an ongoing investigation.

### **Emergency Removal/Administrative Leave**

With or without the filing of a formal complaint, an emergency removal of a respondent from the education program or activity is permissible provided that the District conducts an individualized safety and risk analysis and determines that emergency removal is necessary in order to protect a student or other individual from an immediate threat to physical health or safety and provides notice and an opportunity to challenge the decision. This does not modify any rights under the Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act (ADA).

A non-student employee respondent may be placed on administrative leave during the pendency of an investigation.

### **Dismissals of Complaints**

#### **Mandatory Dismissal**

A complaint of sexual harassment must be dismissed if:

- 1) it fails to allege conduct that constitutes sexual harassment, even if proved;
- 2) the alleged conduct did not occur in a District activity or program; or
- 3) the alleged conduct did not occur against a person in the United States.

#### **Permissive Dismissal**

A complaint of sexual harassment may be dismissed if:

- 1) the complainant notifies the Title IX Coordinator that he/she wishes to withdraw the complaint or an allegation;
- 2) the respondent's enrollment or employment ends;
- 3) specific circumstances exist that prevent the District from gathering enough evidence to reach a determination, i.e. significant passage of time between the formal complaint and the alleged conduct; failure of a complainant to cooperate with the grievance process.

The complainant and the respondent will promptly and simultaneously be provided written notice of the dismissal of a complaint or allegation including the reasons for the mandatory or discretionary dismissal and an explanation of appeal rights.

Each party shall have the opportunity to select an advisor of the parties “choice.”

The school shall send written notice to both the complainant and respondent of any investigative interviews, meetings or hearing.

Evidence of the complainant’s prior sexual activity is not relevant and may not be introduced except to prove that someone other than the respondent committed the alleged misconduct or is offered to prove consent.

Supportive measures shall be offered to the complainant or respondent pending a final resolution after consultation with them.

c. Investigative Report

At the conclusion of the investigation, the investigator conducting the investigation shall prepare a report summarizing the evidence, shall provide a copy to the complainant and respondent, and give the parties ten (10) days to respond. d. Decision-Maker (may not be the same person as Title IX Coordinator or the Investigator)

The written determination will be sent simultaneously to the parties along with an explanation of how to file an appeal.

## **Remedies**

The range of remedies in case a violation is found can range from counseling to serious discipline, up to and including expulsion/termination.

The range of remedies depends on the circumstances but may include previously provided supportive measures, grade changes; the opportunity to retake a test or resubmit an assignment; reassignment of class; school-based counseling; and reinstatement to a team or activity as well as other appropriate measures.

The Title IX Coordinator shall oversee the effectiveness of the remedies toward ensuring no continued discrimination occurs.

## **Appeal**

An appeal of the determination may be filed by either party with the Superintendent of Schools, for one of the following reasons:

- 1) procedural irregularities
- 2) newly discovered evidence that could affect the outcome
- 3) the Title IX personnel (Title IX coordinator, investigator/decision maker, etc.) had a conflict of interest or bias that altered the outcome

## **Retaliation**

Retaliation against any party, witness or other participant to an investigation is prohibited. Any claim of such may be filed in accordance with this Grievance Procedure. Discipline for filing or making a false statement shall not constitute retaliation absent evidence of such motivation.

## **Informal Resolution**

At any point in the formal complaint process, the Title IX Coordinator, in his/her discretion, may offer an informal resolution option such as mediation or restorative justice. The staff member appointed to conduct the informal resolution shall be unbiased and receive appropriate training.

Both parties must give voluntary, informed written consent.

Additionally, ARSD will keep for a minimum of seven years any materials used to train Title IX Coordinators, investigators, decision-makers, and any employee designed to facilitate an informal process.

### **Alternate Complaint Procedures**

In addition, or as an alternative to the filing of a sex discrimination/sexual harassment complaint through the District's grievance procedure, a person may choose to file a complaint with the Office for Civil Rights of the United States Department of Education, any other state or federal agency designated to receive such complaints, and/or to report an incident of sexual harassment to law enforcement.

### **Statement of Protected Rights**

Application of this policy and its grievance procedure shall not be interpreted to restrict rights protected under the U.S. Constitution, including the right to free speech, to be free from self-incrimination, and to due process of law.

### **Mandated Reporters**

Nothing in the Board's sexual harassment policy or this regulation shall interfere with or alter a mandated reporter's responsibility to report child abuse or neglect or sexual assault to DCF or the police as may be required by law.
