Harris PE is excited to kick off our annual American Heart Association Kids Heart Challenge Campaign. We will participate in this community service project February 3-14, 2025. Students have the option of fundraising for heart research and earning prizes! It is free to participate. Throughout the campaign, all students will learn about heart safety! Students receive a free bracelet just for registering, and if 100 students register, the coaches will dress like a duck for the day! We hope you choose to participate in our fundraising campaign this year!

A note from Mrs. Ragghianti:

This month, the guidance lesson's focus will be **honesty** and **KINDNESS**! In your child's classroom this month, I will review and talk about being a BUCKET FILLER!

Since 2006, more than 2 million copies have been sold of **Have You Filled a Bucket Today?** The book uses the metaphor of an invisible bucket to illustrate the idea of filling someone's bucket with kindness and positive actions. Reminding us all that showing kindness and appreciation of others goes a long way to making this world a happier place for everyone, including ourselves.

Your School Counselor,
Yesenia Ragghianti

HONESTY Family Newsletter

PurposeFull Pursuits

#1 Review Honesty as a family! Honesty is being truthful in what you say and do. Discuss the importance of being Honest and work together to create a family Honesty pledge. Create and decorate a sign together that explains what Honesty means in your family. Have each family member sign the pledge and choose a spot to display it. Refer back to the pledge as a reminder to be Honest and to celebrate when Honesty is practiced!

#2 Set aside some time to gather as a family and check in with each other. Ask each family member, "How are you feeling today?" Practice Honesty when responding and listen carefully as each family member shares. Use the emotion check-in questions to learn more. Challenge yourselves to check in with each other on a regular basis!

Emotion Check-In Questions:

- Tell me more about that feeling.
- Why do you think you are feeling that emotion?
- What do you need right now?

Conversation Starters

- Can you share or show what it means to practice Honesty?
- What is 1 way you can be more Honest with others?
