I. Call to Order/Introductions

Ms. Teichert called the meeting to order at 6:34 p.m.

II. Visitors' Comments*

There were none

III. Business Items:

1. College and Career Readiness –

Brett Wolfe, Director, College and Career Readiness, and Tracie Locke, Program Specialist, College and Career Readiness, shared the update on CTE and the happenings at the school sites. Mr. Wolfe shared the diagram of the CTE pathways and what high schools have which programs. Mr. Wolfe also shared how students use the dual enrollment programs between taking their CTE course and transferring credits to American River College as college units when they graduate.

Mr. Wolfe shared that we have added a new aviation pathway to Mira Loma High School. He explained how they wrote the grant and have been successful in hiring Justin Bethune as the teacher. Justin is a pilot who flies in competitions.

Ms. Locke and Mr. Wolfe reviewed the college credit courses/dual enrollment program, which enables high school students to take college courses taught by college professors at a high school campus. They reviewed the number of college courses being taken, the demographic comparison of dual enrollment, and the program's next steps. Increasing the exposure to college courses and enrollment, streamlining teacher/facilitator training and support, and expanding and enhancing collaboration.

* Public comments are welcome at Curriculum and Standards Committee meetings. Each agenda allows time for visitor comments at the beginning of the meeting, as well as during consideration of specific agenda items. We ask that you limit your comments to two minutes to give everyone a chance to be heard. To speak to the Committee, you must fill out a "Request to Address" the Curriculum and Standards Committee" card, which is available at each meeting. This card will be given to the Chair. You will be called at the appropriate time.

2. **2024-25 Material Adoptions Report 1s**

Nicole Kukral, Director, Professional Learning and Innovation (PLI); Heather Brandt, Program Specialist, English/Language Arts, and History-Social Studies; Liz Julienne, Program Specialist, Math, reviewed the Report 1s for the 24-25 materials adoptions. They reviewed the sequence of events that entails calling for publishers to submit materials for review and committee members. Performing the initial screening and selection of the piloted materials. The PLI team then holds professional learning for the piloting teachers and committee meetings. Then, call for feedback from the committee members and piloting teachers.

Ms. Julienne then reviewed the math courses selected for the pilot, and Ms. Brandt reviewed the history-social science and English courses. Ms. Brandt also shared information on the small adoptions report IIs coming to the committee in March/April.

The PLI team shared how they reached out to families and the community for engagement in the adoption committees. And shared that this year, they have seen an increase in participation from families and staff wanting to participate on the committees. The PLI team then reviewed what the next steps were and will be back to see the committee with the Report IIs in April.
