

Rules and Procedures for Student Behavior (field trip)

Chaperones will be notified of the students in their group before departing the school.

Bus:

1. Boys will sit on the right side of the bus.
2. Girls will sit on the left side of the bus.
3. Talking will be kept at a minimum.
4. No talking at railroad crossings.

Arrival:

1. Students will wait on the bus until instructed otherwise.
2. Students will exit the bus according to their chaperone.
3. Chaperones will exit on the bus according to their order (front to back).
4. Students and chaperones will line up on the sidewalk beside the building until a representative assists.

Behavior:

1. Students will be respectful, responsible, and ready to learn during all aspects of the field trip (instructor-led and independent student practice).
2. Students will not be allowed to stray from the group and will be supervised by a responsible adult at all times.
3. Teachers will monitor and instruct students on appropriate behavior when boarding, exiting, and riding the bus.
4. A chaperone will accompany no more than five students to the restroom at a time.
