

A2STEAM Mighty 5s News February 7, 2025

We've been busy getting ready for Valentine's Day in the classroom. Students have been using the Valentine Writing Center to make notes and cards for family and friends at school. They are writing so many words! We've learned about the Lunar New Year and made dragon puppets. We also celebrated MLK's birthday! We've been studying the letters S and T, and we're still practicing D and F. Our next PBL unit will begin after the February break, focusing on how we can, as artists, use color and shape to share ideas. Reminders:
Valentine's Dance Party MONDAY: Wear red!
Valentine Exchange and ice cream on THURSDAY
