shemesh day camp

Shemesh offers thrilling summer adventure for campers entering grades K-10. From a traditional day camp experience to six new specialty camps, including theater, art, and technology, Shemesh has something to ignite every camper's imagination!

With a low staff-to-camper ratio, your child will receive personalized attention while learning, playing, building confidence, and making lifelong friendships.

Traditional Day Camp for incoming K-10th graders includes swimming, sports, art, STEM, cooking, + much more!

Six NEW Specialty Camps meet from 9am-1pm then join Shemesh Day Camp for lunch and Chugim (Electives) from 1-4pm.

REGISTRATION
OPENS FEB. 3RD!

Our Six NEW Specialty Camps Include:

✦ Theater Camp | Grades: 2-8

June 9-20, June 23-July 3, July 7-18

Break a leg with our specialty theater camp! Campers will develop skills for performance, drama, and theater. This camp is run by experienced Creative and Performing Arts Director and Choreographer, Keath Lambart, BFA.

✦ Sports Camp with BEST Sports | Grades: 2-4 + 5-8

June 9-13; June 16-20; June 23-27; June 30-July 3; July 7-11; July 14-18

Beginners Edge Sports Training Camp is an action-packed week of sports, fun, and learning! Open to kids of all skill level, this camp rotates sports each day, giving campers skills and confidence in soccer, basketball, baseball, volleyball, pickleball, and more!

✦ Art Camp | Grades: 2-8

June 9-20; June 23-July 3; July 7-18

Campers will gain experience and build masterpieces in a variety of mediums; and will develop skills and techniques in watercolor, drawing, mixed media, acrylic painting, and more.

✦ #BIGIDEA Technology Camp | Grades: 2-8

June 9-13; June 16-20; June 23-27; June 30-July 3; July 7-11; July 14-18

Harness the power of Israeli technological innovation with #BIGIDEA Camp, as campers mix cutting-edge tech workshops with summer fun. Hands-on workshops from professional Israeli and US staff include robotics, gaming, 3D modeling, animation, graphic design, building mobile apps, and more!

✦ Jr. Lifeguard Camp | Grades: 6-8

June 2-26; July 7-31

The American Red Cross Junior Lifeguarding Course develops future lifeguards through shadowing lifeguards and learning swimming and lifesaving skills. Learn in-water rescues, use of a rescue tube, first aid, CPR, and use of an AED. Completion of Jr. Lifeguard meet the Lifeguarding course prerequisites.

✦ LEGO® Camps | Grades: 2-5

STEM Explorations: June 9-13

Design, build and explore your craziest ideas! Learn and apply engineering, physics, and architecture skills through engineer-designed projects via Play-Well TEKologies and tens of thousands of LEGO® parts.

Pokémon Master Engineering: June 16-20

In the race to be crowned the Ultimate Pokémon Champion, we choose you, LEGO® Master! Learn from our Play-Well Pokémon Masters as you build your favorite Pokémon, evolve them into more powerful versions, and battle the current champion for the title.

Radical Rides 2.0: June 23-27

Build fast and furious vehicles using our tens of thousands of LEGO® parts while you learn about the engineering behind vehicle design and creation. We guarantee our Play-Well instructors will help you ride in style wherever your imagination takes you!

STEM Innovations: June 30-July 3

See STEM in action as you design and innovate with Play-Well TEKologies and tens of thousands of LEGO® parts! This inquiry-based learning classroom model applies physics, engineering, and architecture through engineer-designed projects. Projects rotate to ensure returning campers get a new experience.

Minecraft Master Engineering and Robotics using LEGO® Spike Prime: July 7-18

Venture into the world of Minecraft and learn to build and program robots in this introductory Robotics class using the LEGO® Spike Prime system. Learn basic programming skills while traveling through biomes, harvesting resources, and battling the Ender Dragon. Campers will work in pairs to build projects incorporating motors, sensors and lights as we adventure with Steve!
