Corporate Sponsorship & Benefits

Dear Friends,

Each year more than 180 CFA athletic competitions are held on one of our home facilities to include our main gym, Cameron Gym, on-campus outdoor field, Bellamy Tennis Complex and two fields at the athletic complex across the street from the main campus. In addition, our athletic facilities have been used by organizations such as Cape Fear Lacrosse Association, Cape Fear Community College Soccer, and the Hammerheads athletic programs. Outside of athletics, our facilities are also used by all grades for various performances, assemblies, and social events that include not only the students, but also their parents and extended family.

We would like to invite you to participate in our corporate sponsorship program, which supports Cape Fear Academy in a variety of ways, including:

- **Cape Fear Academy's athletic programs:** Your sponsorship supports 12 different sports and our 41 athletic teams.
- **Cape Fear Academics arts programs:** Your sponsorship supports our band, chorus, publications, theatre and visual arts.

These financial contributions fuel Cape Fear Academy's ability to focus on advancing our mission to prepare students for college and life.
