- Company name listed on team website and social media pages.

NEW in 2025 - MidWay Foundation Endowment

The USJ Shooting Team has partnered with the MidwayUSA Foundation to establish a permanent team endowment fund. This fund will provide long-term financial support for our team, ensuring its sustainability for years to come. Donations to our endowment are matched dollar-for-dollar by the MidwayUSA Foundation, effectively doubling your contribution! This is a unique opportunity to leave a lasting legacy and support the future of our team. While the endowment provides crucial long-term security, our greatest need is for annual sponsorships, which directly fund our current operating expenses like targets, travel, and competition fees. These annual sponsorships allow our athletes to compete and train *today*. For more information about the endowment or to contribute, please contact Pam Stanfield at pstanfield@usjbruins.org.

Thank you for considering sponsoring the USJ Shooting Team! Your generosity helps us provide our athletes with the resources they need to excel. Sponsoring our team is easy and convenient. Simply write a check payable to USJ and mail it to 232 McClellan Road, Jackson, TN 38305. Or, for a quick and secure online donation, visit our website at <https://usjbruinsorg.finalsite.com/student-life/clubs-organizations/usj-sport-shooting-team>. We are incredibly grateful for your support!

2024 Season Highlights:
