

# BOND 2022 UPDATE REPORT

December 2024

On November 8, 2022, East Central ISD voters approved a \$240 million bond to address overcrowding issues, as well as safety and security, career and technical education, and land purchases for future growth.

This report provides an update on the progress of the 2022 bond-funded projects, including what has been completed, what is currently in progress, and what is on the horizon.

Thank you to our community for your support in helping us shape a brighter future for East Central ISD!

*Honor Elementary opened on time for the 2024-2025 school year.*

## New Schools & Classrooms to Alleviate Congestion

### Honor Elementary School

Honor Elementary proudly opened its doors for the 2024-2025 school year, welcoming students to a state-of-the-art learning environment. This new campus is designed to support the District's growth while fostering a vibrant and innovative atmosphere for elementary education.

### Victory Elementary School

Victory Elementary is progressing on schedule, with plans to open in the fall of 2026. This modern campus will provide much-needed capacity for our growing community, ensuring students have access to exceptional educational facilities.

### Valor Middle School

Valor Middle School reached a significant milestone with a beam-signing ceremony at its construction site in St. Hedwig. Scheduled to open in the fall of 2026, the new school will provide innovative learning spaces to serve our District's middle school students.

*Valor Middle School is on schedule to open in the fall of 2026.*

*There was a beam signing ceremony for Valor Middle School on Oct. 29, 2024.*

## Pre-K/K Classroom Additions and Upgrades at Highland Forest and Oak Crest

Work is moving forward on the additions and upgrades for Pre-K and Kindergarten classrooms at Highland Forest and Oak Crest. Monthly updates, including photos shared at board meetings, highlight the steady progress being made toward enhancing these learning spaces for our youngest students. These additions are on track to open as in the fall of 2025.

*Pre-K/Kinder classroom additions and renovations are on track at Highland Forest Elementary (left) and Oak Crest Elementary.*

*The second elementary school, named Victory Elementary, is scheduled to open in the fall of 2026.*

### Outdoor Collaborative Spaces and Campus Upgrades

Outdoor collaborative spaces have been completed at Legacy Middle School and Heritage Middle School, providing students and staff with dynamic environments for learning, teamwork, and creativity. These spaces are designed to inspire collaboration and enrich the overall educational experience, offering flexible areas for both academic and recreational activities.

*Outdoor courtyard at Legacy Middle School.*

### Safety and Security Enhancements

The District has successfully implemented new safety and security measures across all campuses. Upgrades include advanced security systems, new perimeter fencing, and enhanced emergency protocols, ensuring that students, staff, and visitors can enjoy a safe and secure learning environment. These improvements reflect our ongoing commitment to prioritizing the well-being of our school community.

### CTE Multipurpose Facility

Progress is underway for the new Career and Technical Education (CTE) Multipurpose Facility, with a clear timeline established. While we await final permits to begin construction, preparations are being finalized to ensure a smooth start to this exciting project. Move in is scheduled for January 2026.

*Concessions and restrooms at Legacy Middle School.*

### Central Transportation Facility

Plans for the new Central Transportation Facility are taking shape, with the timeline now firmly in place. This facility will streamline transportation services across the district, supporting the needs of our growing student population. Move in is scheduled for March 2026.

### Additional Improvements

At Oak Crest Elementary, the parent pick-up process has been improved, flooring in the corridors and cafeteria has been upgraded, and new technology enhancements have been implemented.

*Security vestibule is complete at East Central High School.*

Highland Forest Elementary has had improvements to the parent pick-up process, upgraded flooring in corridors, and enhanced technology throughout the campus.

*Outdoor courtyard at Heritage Middle School.*

*New perimeter fencing has been installed at East Central High School.*

*Security vestibule is complete at Tradition Elementary.*
