

# 2025-2026

## FILM & THEATER ELECTIVES

### THEATRE I - BEGINNING ACTING

WELCOME TO RHS THEATER! No experience? No problem! This is the first class you'll be taking in the theatre sequence, and we are going to have a lot of fun. You will be introduced to the art of acting, developing a beginning skill set through improv games, scene study, movement, and voice.

### THEATRE II - INTERMEDIATE ACTING

Ready to advance your acting talents further? Theatre II is here for you! You will continue to build and develop the skills learned in Theatre I and learn about the different theatrical styles from history – Greeks to Contemporary – through script analysis, voice and movement workshops, as well as regular performance opportunities.

### THEATRE III - PERFORMANCE THEATRE

Let's put our acting and theatre skills to work! Theatre III is an advanced, year-long course that will give you insight and experience by working as a theatre Ensemble. The Ensemble will be responsible for producing student-run theatre, including the annual Literacy Play!

### THEATRE IV - ADVANCED STUDY

This is the most challenging theatre course, specifically designed for experienced students who want to focus on growing and developing their craft. You will finish the year with a portfolio of work to use for college auditions/submissions and ready to move out into the real world.

### MUSICAL THEATER!

Join our Musical Theater class and explore acting, singing, and dancing! Dive into musical theater history, perform iconic songs, and learn about auditioning. Whether you dream of Broadway or just want to perform, this class will help you shine!

### TECHNICAL THEATRE AND DESIGN I & II

In this class, you will learn about ALL the opportunities available in the behind-the-scenes world of theater including construction, painting, costumes, lighting and sound, and stage management. This class is all about participation and getting your hands dirty. We will also build the set for the Fall Play and Spring Musical!

### FILM STUDIES

Are you into movies and TV shows? Do you know how it all started? Join us in Film Studies! From how film was first created through the domination of Marvel movies, we will focus on technical discoveries, cultural impact, and the development film by watching, analyzing, and creating films throughout the semester!

### VIDEO PRODUCTION

After completing Film Studies, come take the next step in Video Production! In this class, we further analyze the most significant films in cinema, learn about the 'language of film', the different jobs of filmmaking, talk with working professionals in the industry, and create even more films!
