# SOAR SUMMER CAMP 2023

## WHAT IS SOAR SUMMER CAMP?

SOAR Summer Camp is a nine-week program, which provides a full day of preplanned summer activities and field trips in a supportive environment.

SOAR Summer Camp allows children to build friendships, increase independence and stay active while assisting parents/caregivers in maintaining their employment.

Parents/caregivers are responsible for camp drop-off and pick up while field trip transportation is provided by Community Living.

We work with parents/caregivers and the school districts to make accommodations for children who are also enrolled in summer school or employment programs.

Summer Camp is charged at a tiered daily rate plus the cost of field trips. Tiers include quarter, half, three-quarters, and full-day options. Sliding-scale scholarships may be available to those who qualify.
