

The Saints Academy Auction

Friday, April 4, 2025

Dear Friends of The Saints Academy,
 Our auction is the most anticipated event of the year! We display hundreds of sought after items and services and promote over 75 advertisers. This is an awesome way to showcase your business.

The Saints Academy educates students Pre K through Eighth Grade from numerous local communities. We are accredited by the New England Association of Schools and Colleges.

The Saints Academy is committed to providing our students with a strong spiritual and academic foundation through the emphasis of our five core values of Discipleship, Partnership, Scholarship, Leadership and Citizenship. It is through these values that we prepare our young men and women to become empowered and inspired to be all that they can be and to give back to their communities.

All proceeds raised by this auction go directly back to our operating budget, which in turn benefits our students in numerous ways, and makes a Saints Academy education accessible to as many families as possible.

Please help us continue our mission of building our Saints Academy legacy for years to come by advertising, donating, sponsoring, or attending our event.

Thank you!
