Media Center

3:30 p.m.

Attendance: Jullie Payne, Marisa Herd, Jonathan Burnett, McKay Wilson, Katie Weber, Charity Moore, Suzette and Evin Daines (visiting)

Not in attendance: Caroline McCann

- I. Welcome: Jullie Payne
- II. Approval of [past minutes](#): Katie approved the minutes and Jon seconded it.
- III. Review of Old Business
  - A. Discussion of Goals for 2022-23 School Land Trust Plans
    1. 80% for i-Ready
    2. 4% increase for Acadience Reading
- IV. New Business
  - A. Trustland and TSSA Funds- Review how funds have been spent
    - a. Paraeducators, Chromebooks, our school counselor
  - B. School Counselor Presentation- Evin Daines
    - a. Mrs. Daines works with students that have a barrier to education. She hopes to help close any emotional gaps to help fill academic gaps.
    - b. The role of an elementary school counselor is defined by
      - i. The Utah State Board of Education
      - ii. The Utah School Counselor Association
      - iii. The United States Counselor Association
    - c. She teaches: mental health, college and career awareness, mind UP, social and emotional skills
    - d. She meets with every class at least once a month, and meets with students on an individual basis based on parental consent and needs of the student.
    - e. She gets referrals from parents, teachers, and even students.
    - f. She discusses how students are doing with the teachers to get feedback.
    - g. She met with 74 students last year, and 87 this year.

- i. She was not able to meet in groups very well last year.
  - h. She taught 146 lessons last year, and 99 lessons so far this year.
  - i. Mrs. Daines started a school-wide PBIS program last year. This year we were able to get more direction from the school district about how to run this program. She has had staff training and committee meetings. She also collected data from the teachers to determine how beneficial the program has been.
  - j. College and Career Awareness:
    - i. CCR FAmily Night
    - ii. She had students fill out forms to think about their career goals.
    - iii. She taught a lesson about this to each classroom.
  - k. Evin also directs a student service club that meets monthly.
    - i. They just recently did a diaper drive
  - l. Evin also sends the staff weekly emails
  - m. She also provides crisis help for students.
  - n. She provides references to outside sources to give students help they may need.
  - o. Data Projects:
    - i. Last Year: She looked at program effectiveness: she implemented the PBIS program. She discovered that EL students were having quite a bit of chronic absenteeism. She had success last year.
    - ii. This Year: Have 10% of students identified as high-risk on the fall well-being assessment will improve to medium or low-risk in the spring well-being assessment during the 2021-2022 school year.
- C. Building Improvement Updates ([mural in lunchroom](#) and cameras)
  - a. With PTO funds we were able to add a mural to the lunchroom.
  - b. Discussions have been made to talk about how to get more funds for the video cameras for the school.

V. Adjournment: Proposed by Marisa and seconded by Suzette

Next Meeting: May 3, 2022 at 3:30 pm- School Media Center
