4:00 p.m.

In Attendance: Charity Moore, Jullie Payne, Marissa Herd, Caroline McCann, Suzette Todd, Katie Weber, McKay Wilson is attending via Zoom, Community Members

Absent: Jonathan Burnett, McKay Wilson

- I. Welcome: Meeting was called to order by Caroline McCann, and seconded by Charity Moore
- II. Approval of [past minutes](#): all in attendance approved the meeting minutes.
- III. Review of Old Business
 - A. Update on School LAND Trust & TSSA Budgets
 1. We are waiting for January to purchase more chromebooks. We are hoping that this will help the longevity of the chromebooks. We are hoping to purchase 37 chromebooks. We are hoping to purchase audio equipment as well.
 - B. Review [Meeting Rules of Order and Procedures](#)
 1. No one objected to the rules.
- IV. New Business
 - A. Acadience and GoMath Data Review
 - a. We are now testing 6th graders as well. In years past this has not happened. Due to the period of instruction that was missed we decided to add 6th grade.
 - b. Our students are currently reading at a very high level, and so it may be more challenging for our students to reach our goal of a 5% increase of students reading on benchmark.
 - c. Jullie described how the scores are calculated on the Acadience testing.
 - B. Student Safety <https://www.helpcounter.net/>
 - a. We applied for a grant to get the sidewalk finished near the school.

- b. We have also talked about drop off and pick up in the past.
- c. There are some concerns about whether or not the kids at our school are safe.
- d. Haley Hughes, Kristin Gritton, Hayley Stott addressed their concerns
 - i. Hailey Hughes contacted Reid Tanner at the Cache County Sheriff's department about the concerns to learn more about the situation.
 - ii. Certain processes need to be followed to keep the school safe. One of the processes is using DIRS. Jullie Payne discussed how to use the DIRS system.
 - iii. It is wondered if we can make a safety team that includes parents. A safety team is already in place with the teachers.
 - iv. They are hoping that funds can be raised to help purchase items to help with their plans.
 - v. Ideas that could be added to the school:
 - 1. It is called helpcounter. A computer dedicated to printing a badge and recording who is in the school and why they are there.
 - 2. Maybe the subs, etc need to be given a lanyard to wear. Jullie explained they already wear one.
 - 3. Fenced in playground
 - 4. outside cameras (there is some funding available for some cameras)
 - 5. What could be done to help the safety of preschoolers, speech, and kindergartners
 - 6. Parents can help encourage others to follow the school rules. A parent safety team could be set up.
 - 7. Actions that will be taken:
 - a. We will lock one door
 - b. We will enforce having a badge or visitor sticker for ALL visitors.

C. Supporting for the Holidays: We are supporting 16 families for the holidays.

D. Cache Valley Direct: We made \$4,625 for school safety

E. Any other items

- a. One grade has ten minutes for lunch before the next grade comes into the lunchroom. The ten minutes for lunch may not be enough time for lunch, but we do have an overflow table for kids that are not finished.

V. Adjournment: The meeting was adjourned by a motion from Katie and Marissa seconded that.
