

Timeline and Fact Sheet
Blind Brook High School
Senior Options
2024/2025

You must secure your own Internship/Independent Project.

You may not intern with a family member or be supervised by a family member for either an Internship or Independent Project.

You must explain to your Site Supervisor that you do receive school credit for your participation in Senior Options.

You may not get financial compensation for your Internship/Independent Project. Please specify to your site supervisor that you get school credit.

You may not intern at a place of present employment completing the same responsibilities as you presently do.

If you choose an independent project, your project must reflect at least 100 hours of work.

If you choose an independent project working with another student, each member must contribute at least 100 hours of work toward the project. For example, if there are two members in your group, your project must reflect 200 hours of work.
