1. We would also love to educate parents to understand that some safety procedures have changed at the school that might be helpful for the parents to discuss with students at home. - Specifically fire drills at home vs. at school.
2. We have had an increase in police service on campus just to help with the security and safety of the students and faculty.
3. Crossing guard update; Since the speed limit is not fast enough, we are not able to get a crossing guard for this area. So we will try and come up with another plan.
