

Title 1 Meeting

Richmond Drive Elementary

September 21, 2023

What is Title 1?

Title 1 is a law under the Elementary and Secondary Education Act (ESEA) of 1965 which provides federal funds for compensatory educational services.

What is Title 1?

- Compensatory means “extra”.
- Title 1 provides extra money for teachers, instructional assistants, funding for staff development, and additional materials and supplies in all subject areas for eligible schools.

How Do We Qualify For Title 1 Funds?

- Title I schools within the district are selected based on information obtained from:
 - The 135th Day Attendance Count
 - The percentage of students who are PIP (Pupils in Poverty).
- A poverty index for all of the schools in the district is determined and the schools are ranked from highest poverty index to lowest.
- Richmond Drive is one of 9 schools served with RHS funding.

Who Benefits from Title 1 Funds?

- Richmond Drive's poverty index was determined to be 80%.
- Because our poverty index is greater than 40%, we qualify as a Schoolwide Title 1 Program.
- That means ***all*** students benefit from these extra funds and services.
