# INSPIRING SPACES

## CLASSROOM MAKEOVER PROGRAM

# INSPIRING SPACES

## ROCK HILL SCHOOLS FEATURES **INSPIRING SPACES: A CLASSROOM MAKEOVER PROGRAM**

Our teachers are inspiring. They work each and every day to reach our students through engaging, thoughtful lessons and meaningful relationships.

To celebrate this inspiration, we launched a new program in 2023 where we asked parents, alumni, students, and the community to imagine what it would be like to empower teachers with the classrooms of their dreams.

More than 190 nominations poured in over the past two years from people who shared stories about our most inspiring teachers. Our three winners each year were selected based on the heartfelt conversations we had with those who nominated them.

The program has awarded six inspiring teachers the classroom makeover of their dreams — from floor to ceiling. Each summer one teacher from each level — elementary, middle, and high school — will be selected to receive furniture, paint, flooring, and more toward their renovated classrooms.

Superintendent Dr. Schmolze and district administrators are joined by our gracious donors each summer to reveal the upgraded classrooms before the first day of school — just in time for students to start learning in the new environments.

**AS WE GEAR UP TO CONTINUE THE INSPIRING SPACES: A CLASSROOM MAKEOVER PROGRAM, WE HAVE SPONSORSHIP OPPORTUNITIES STARTING AT \$1,000. SCAN THE QR CODE TO SEE WHAT YOUR DONATION MEANS TO OUR INSPIRING TEACHERS.**
