Black History Facts

African Americans have played a central role in shaping U.S. history. From slavery and its abolition to the Great Migration, the civil rights movement and military, scientific, cultural and political achievements, explore key moments, milestones and figures in Black History.

The civil rights movement was an organized effort by black Americans to end racial discrimination and gain equal rights under the law. It began in the late 1940s and ended in the late 1960s.

William Tucker was the first known Black person to be born in the 13 colonies. He was born near Jamestown, Virginia, in 1624. His parents were indentured servants, and part of the first group of Africans brought to colonial soil by Great Britain. In 1634, his parents participated in the establishment of Elizabeth City County, Virginia, which is now the city of Hampton.

HIGHLIGHT A TEACHER OR THE SCHOOL

You want to say something great about the school or your scholars teacher **Click here and write a message.**

We expect scholars to be in school 95% of the time as you can see from the chart no grade level is meeting the 95% average daily attendance. Parents we must do better at getting scholars in school daily. Scholars missing school tremendously effects their grades and their ability to move on to the next grade level. Let's help our scholars by getting them to school daily.

ATTENDANCE MATTERS

Missing a day of school here and there may not seem like much, but absences add up!

They will miss 60 HOURS of reading & writing over the school year.	They will miss 120 HOURS of reading & writing over the school year.
They will miss over 1 YEAR of school by graduation.	They will miss over 2 YEARS of school by graduation.

Emergency Contact Cards

Emergency cards will come home this week and must be returned the very next day. It is of vital importance that your scholars emergency card is turned in as soon as possible. Do not be the reason your child's class does not receive the reward.
