# Hale *Olders*

This summer, embark on an unforgettable journey filled with magic, adventure, and discovery! This year's theme, "Magical Wonders", is designed to spark imagination, build friendships and create lasting memories. With engaging activities, youth-led clubs, and enriching community outings, we will have many opportunities to conjure enchanting experiences!

Here's a sneak peek of what you can look forward to:

TIME: 10 am-3 pm

*Everyone goes on the field trips.  
Alternative care on-site is not available.*

## WEEKLY HIGHLIGHT

Each week, kids will immerse themselves in the wonders of STEM through hands-on activities that inspire creativity and critical thinking. Plus, they'll have the chance to work with our 3D printer, creating their own unique projects. Whether they're engineering, experimenting, or exploring new technology, STEM Day is all about learning new skills while having fun!
