

CLAYS FOR EDUCATION

FRIDAY, APRIL 4TH

DeWitt's Outdoor Sports
443 Jimmy Carriker Road | Ellerbe, NC

Join us for a competition that promises both excitement and challenge. The course boasts 14 carefully crafted shooting stations, offering participants an enjoyable and challenging experience. Plus, don't miss out on the flurry shoot-out, adding an extra dash of adrenaline to the competition. Whether you're a seasoned pro or new to the sport, this event guarantees a day of fun while supporting a great cause.

The Richmond County Education Foundation is dedicated to strengthening and supporting our local public education system by addressing academic needs as they emerge. The foundation works to ensure that both students and educators have access to the necessary resources for success, whether through scholarships, funding, or other critical support.

One key initiative of the foundation is the Grow Your Own Scholarship, which awards scholarships to high school seniors planning careers in education.

The goal is to encourage these students to return to Richmond County Schools as teachers. This year, two seniors from Richmond Senior High School received these scholarships, both aspiring to become educators.
