## BUILDINGS AND GROUNDS MAINTENANCE

The Director of Facilities will direct and supervise all maintenance employees in the upkeep of school buildings and property. The Director of Facilities will report to the Director of Finance and Administration and through them, to the Superintendent.

The Director of Finance and Administration is responsible for the district's compliance as outlined in R.I Gen. Laws 16-7-23 (b). The law requires the district's annual maintenance expenditures to be a minimum of three percent (3%) of the operating budget.
