STORM DAY OPTIONS

In this box is a "storm day option." The school year will begin with this day as a "no school day" for students. If a storm day is needed, the BOE and Superintendent will inform families ASAP:

2/17/2026

As the district moves through the year we will keep the learning community apprised of the need to use designated days as student attendance days. The district will do what is necessary to tell families as soon as possible of any calendar changes. Using this strategy builds in storm day response and keeps end-of-school dates and activities stable.
