

A stylized blue lion head logo with a fierce expression, featuring prominent whiskers and a mane. The lion's eyes are narrowed, and its mouth is slightly open, showing its teeth. The entire logo is rendered in a solid blue color.

# **Blue Lion Card Program**

**Washington Middle School**

# Purpose of a Blue Lion Card

- Promotes attendance
- Promotes academics
- Encourages desired behaviors
- Pushes for greater student success
- Encourages school involvement

## How does the program work?

- Students receive cards at the interim report and the end of each 9-week grading period.
- Card levels awarded are Blue, Gold, Silver and Bronze based on academic achievement, attendance and behavior throughout the grading period.

# General Expectations

-No replacement cards will be given. This program is designed to teach responsibility.

-Cards will be collected prior to the next card being distributed. All cards collected will be entered into the semester and end of the year giveaway.

-If you do not have your card or you are absent on the day of a perk, you will **NOT** participate in the perk!

-If students give their card to another student to use, they will lose that card and their eligibility for the next card given.

-In order to drop an assignment, the assignment must first be completed with a satisfactory effort. It is the teacher's discretion on completion and dropping of assignments.

-Missing assignments will only reset at the 9-week mark, **NOT** the interim; attendance, tardies and referrals will reset at interim and report cards.

-More information will be discussed through videos and meetings.

# Blue Card

## REQUIREMENTS

- 3.5+ GPA
- NO MISSING ASSIGNMENTS\*
- NO F'S OR INCOMPLETES ON INTERIM/REPORT CARD\*
