Features state-of-the-art driving simulators
Students must attend all 8 classes. Class space is limited!!

Drivers Education students must be at least 15 years, 6 months old and in possession of their official driving instruction permit in order to receive the behind-the-wheel training. Students must also be currently registered in/attending an Arizona high school.

- 100% attendance is required in order to receive the Driver Education Certificate.
- No class on school district holidays.
- This course is approved by the Arizona Department of Transportation and Department of Education.
- Students that successfully complete the program will receive a Certificate of Completion and the MVD will be notified electronically once the student has passed all required skills. This fulfills the state requirement for the Graduated License, usually exempting the student from being required to take the road test with an MVD examiner.
- The 4 hours of behind-the-wheel training will be completed outside of the normal classroom hours using one of our district vehicles. The instructor will schedule mutually agreed upon behind-the-wheel training hours individually with each student.

Note: Includes graphic images/discussion involving accidents.
