

eDCSD Online

Douglas County Schools' Online Learning Option

Fostering the unique identities of all learners to empower continued growth

Flexible Scheduling

eDCSD works collaboratively with families to develop class schedules designed to support each student's unique needs and maximize their potential.

eDCSD instruction and courses are combinations of live online (synchronous), in-person, and independent (asynchronous) modes of instruction.

Blended Learning

K-12 Programming

eDCSD provides a personalized educational experience, with teams of teachers, counselors, and support staff at the elementary, middle, and high school levels.

eDCSD offers a variety of exciting courses. Courses include K-8 Acceleration Options, ACC Concurrent Enrollment, Journalism, Photography, World Languages including ASL, Criminal Justice, Forensics, and more.
