Technology Committee –December 9, 2024

The Technology Committee met on December 9, 2024. Mr. Hein provided updates about Critical Security Control (CIS Control) number 12. He also shared information that the teachers received during the November Superintendent's Conference Day to staff from Mr. Hein. The next committee meeting is scheduled on February 10, 2025, at 3:30 p.m. in high school room 102.
