Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2023-24 educational progress for James R. Geisler Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, contact [Principal Stuart Riley](#) for assistance.

The AER is available for you to review electronically by visiting the [MI School Data](#) website or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2023-24. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67% in 2023-24. Some schools are not identified with any of these labels. In these cases, no label is given. James R. Geisler Middle School was not given one of these labels.

State law requires that we also report additional information.

Achievement Testing

Middle school students in Walled Lake Schools take the M-STEP state assessment and locally we have district developed benchmark assessments for all core subject areas and many elective areas. Additionally, the iReady® benchmark assessment is given to students in grades 6, 7, and 8 in the areas of Math and Reading. Together, the combination of these assessments provides the teachers and building administration with individual student data allowing professional educators to individualize instruction to meet each child's needs. Our students consistently outperform the State for the percent of students proficient in the areas of ELA and Math.

Percent Proficient for M-STEP/PSAT 8/9 in ELA and Math as compared to State Proficiency

Last spring all Walled Lake Consolidated Schools students in grades 6-8 participated in the M-STEP state assessments.

their contributions and leadership in our school, and are grateful for the countless ways in which they support our Geisler Middle School staff and students.

Our "Geisler Pledge" exemplifies our core beliefs about learning and our school community:

We are Geisler!

We are:

Welcoming to
Opportunities,
Learning, and
Viewing our best selves. We
Engage in our education and we
Show others what we know.

Because we know...

The strength of the pack is in the WOLF, and the strength of the WOLF is in the pack.
I am strong because I am a GEISLER WOLF!

We are proud of our numerous student organizations and programs, including National Junior Honor Society, Robotics Team, Orchestra Ensemble, Religious Diversity Journey, Variety Show, School Musical, Spelling Bee, Girls Get IT, Jazz Band, Robotics, Peer Tutoring, Book Club, The Geisler Chronicles, Computer Science Discoveries and our eighth grade Washington DC experience.

As we continue to grow and lead as a school community, we would like to take the opportunity to thank all members of the "Wolf Pack," who help us meet our annual goals.

Sincerely,

A handwritten signature in black ink that reads 'Stuart Riley'.
