New Age,

At New Age Industrial, we remain dedicated to providing you with the highest quality aluminum products and services. To ensure we can continue to maintain this level of excellence, **we will be implementing a necessary price increase of 6% on list price effective on January 1, 2025.**

This price adjustment is due to consistent increases in the cost of raw materials, labor, credit card payment processing, and transportation. We want to assure you that we have carefully evaluated this decision to ensure we can continue to deliver the exceptional products and services you've come to expect.

As a reminder, orders received prior to the price increase must ship by the end of February. If the order cannot ship by the end of February it will be subject to new pricing.

One question we are frequently asked is, "What is your Freight Program?" We're thrilled to announce that we're developing a new Freight Program for our Buying Group Partners in 2025. We'll provide more details once the program is finalized.

We look forward to a continued strong partnership and successful year ahead.
Thank you for all you do!

Sincerely,

Cathy O'Shia & Jeff Erber

Good morning, Kimberly.

Hope your day is going well.

No other vendors listed under the Equipment & Small Kitchen Wares RFP 23-0133 bid has submitted price changes.

Question, from the price list attached, is there any way you can identify which items are having price changes? Or did all items listed on the price list have price changes.

It makes the process go much faster, when making the changes on the bid tabulation, if I know which items have price changes.

Also, do you have any documents that back-up the request for price changes you are submitting, Consumer Price Index? Notice from manufacturers?

Let me know if this is feasible, thank you.

Let me know if you have any further questions. Have a safe and restful weekend.

December 5, 2024

Subject: February 2024 Pricing

Dear CFS Brands Customer,

Beginning in December, you will receive information regarding pricing changes, that will go into effect February 1, 2025. This new pricing will be in effect for all orders shipped on or after that date.

In this round of CFS Brands pricing updates (apart from Dinex, Winco or GET), we have extensively updated our market pricing, as well as category pricing structures to better provide ease of purchase. In your individual price lists, we adjusted many categories to streamline the price groupings and discount structures, with minimal net impact to you. If you have any questions, please contact PricingSupport@cfsbrands.com for items 1 or 2 below.

We will be issuing 4 separate price files; there are no implied program changes or combinations, with these brand updates.

- 1) **CFS Brands** (including Carlisle, San Jamar, WipesPlus, SnapDrape and Marko)
- 2) CFS Brands (**Dinex**)
- 3) **Winco** (including Bar Maid)
- 4) **GET** (including Elite Global Solutions)

All of the above will have pricing updates based on the global market information we have at this time. If there are any changes in the near future, we commit to providing ample notice periods to our customers, so that we can partner on delivering a seamless supply chain experience to our mutual operator customers.

In 2024, we launched Single PO to enable customers to order Carlisle, SanJamar and WipesPlus on one order, at a lower free freight level, shipped on one truck, with high adoption from our customer base. Soon, this will be joined by Araven, with a future to make more of our 14 brands available together. Please view more of our brand information below.

[Araven](#), [Carlisle](#), [Dinex](#), [Sparta](#), [G.E.T.](#), [Winco](#), [Elite Global Solutions](#), [AyrKing](#), [Jofel](#), [El Castor](#), [Piper](#), [Snap Drape](#), [WipesPlus](#), [San Jamar](#)

CFS Brands remains committed to investing in serving our dealer distribution partners, as well as our operator end-user customers' experience, infrastructure, and product innovation. In January and February 2025, you can expect:

- Launch of Araven innovative products, stocked in both our Oklahoma City and Charlotte warehouses
- New printed catalog for CFS Brands, Winco, SnapDrape and newly updated Healthcare catalog available upon request
- New consolidated NAFEM booth showcasing the end-to-end product category coverage for all our brands, and training available our customers

We thank you for your continued partnership and look forward to working with you in 2025 and beyond.

Sincerely,

Trent Freiberg
President and Chief Executive Officer
CFS Brands

Postscript: CFS Brands' Piper/Lacrosse, El Castor, AyrKing, Jofel and Araven Europe products will be communicated in a separate letter.

FROM: Gary Simpson, Senior Vice President, US Sales
SUBJECT: Price Adjustments - Effective January 1, 2025

Valued Dealers –

ITW FEG announces the following price adjustments effective January 1, 2025:

Hobart Warewash Products:	3.25%
Hobart Food Preparation Products (includes Berkel):	2.0% - 10.0%
Traulsen Refrigeration Products:	0.0% - 3.0%
Baxter Bakery Products:	3.0%
Vulcan & Wolf Cooking Products:

Also on this timeline, Vulcan will publish a new **Unilateral Minimum Resale Price (UMRP)** policy to protect the integrity of its brand. This policy supersedes all prior policies regarding minimum advertised prices. Vulcan price increase files and new UMRP policy will be made available on December 1, 2024.*

The foodservice equipment industry faces significant and ongoing cost pressures driven by labor, transportation and component availability. In response to these challenges, ITW FEG continues to make every effort to minimize their impact on the pricing we convey to our dealers and end-user customers, while also ensuring consistent product availability.

Please refer to the chart on the next page for detailed percentage increases by product category.

Dealers contracted with products for national or regional chain accounts will be contacted with price increases depending on the particular contract being serviced.

We appreciate your support and look forward to continued opportunities to serve you at the highest level.

RE: Pricing Announcement Effective January 1, 2025

Copeland LT d/b/a Cooper-Atkins is writing to inform you that, effective January 1, 2025, there will be a revision in our pricing. This adjustment is due to continued increases in labor and component costs. Quality and rugged durability have always been a part of the Cooper-Atkins brand promise and over the last two years it has become more costly to deliver excellence. We proudly continue to provide our distribution and end user partners with the highest quality precision instruments serving the Foodservice, Food Retail, and Industrial markets.

The updated price list is attached. Copeland remains committed to delivering high-quality products and exceptional service, and we have worked to keep these adjustments as minimal as possible. Copeland will continue to offer prepaid freight on orders of \$1,000 or more. This measure is intended to help offset the impact of the pricing adjustment.

SALES BULLETIN

To: All T&S Customers
From: Ken Gallagher
Subject: T&S Announces 2025 Price Increase
Date: October 31, 2024
No.: 49-24

Dear Valued T&S Customer,

As your premier commercial plumbing supplier, we are committed to delivering quality products, exceptional customer service, and dependable solutions. We greatly appreciate your business and continued partnership as we move forward into 2025. While T&S works diligently to manage costs and implement savings, rising material and external costs beyond our control have made it necessary to implement a price adjustment.

Pricing Adjustment Effective January 1, 2025 – The average adjustment is 5%, some items may vary and will adjust either below or above this percentage. The excel version of the January 2025 price list is available for download [here](#).

Minimum Order Charge – The minimum order charge is \$50.00 per order for both complete models and parts.

The following price policies should answer any questions you may have.

Outstanding Job Quotations

All confirmed, numbered quotations will be honored until February 1, 2025, or earlier, dependent upon the date indicated on the face of the quote. Any approved in-house quotations ordered after February 1, 2025, would be subject to the price adjustment.

“Will Advise Orders”

Released “Will Advise” orders must be received by January 1, 2025, and shipped complete by March 31, 2025. Otherwise, they will be subject to the price adjustment.

Blanket Orders

T&S will protect prices on all blanket orders through February 1, 2025. Releases scheduled beyond that date will be subject to the price adjustment.

Stock Orders

Any orders “In-House” on a current delivery schedule as of January 1, 2025, will be processed at current prices if shipped by March 31, 2025. This policy is subject to established credit policies.

Again, T&S thanks you for your continued business and support. If you have any questions, please feel free to contact me.

Sincerely,

Ken Gallagher
