

**Emmett Middle School
Board Report
February 2025**

Shout Outs

A big shout out also goes to Mrs. McConnell, who was named Teacher of the Year for the local VFW post. Way to make us proud!

Thank you to the EMS PTO who put together a way for parents and students to show their appreciation to students and teachers. On Feb. 13th, approximately 700 carnations will be delivered for Valentine's Day. An additional shout out goes to several community members who donated carnations to students who may not otherwise have received one.

Updates:

Instructional Rounds

On February 19th, Mellisa Pitman, our instructional coach, will be taking a group of teachers around the building to observe the other teachers teach. It is an opportunity for them to see what is going on in other classrooms and learn some new tools for their tool belt. If you would like to observe our amazing teachers, we would love for a few board members to join us.
