

Lincoln Public Schools  
Health and Wellness Committee  
December 18, 2019  
Minutes

1. The meeting was called to order at 8:00 AM by Mary Anne Roll. She noted that the postponement from Dec. 12th meeting date due to weather resulted in a number of Committee members' absences.

2. Communications Work Group:

Mary Anne introduced Erin Illuzzi. Mrs. Illuzzi is a parent with of children at both Northern Lincoln Elementary and Lincoln Middle School. She shared her experience with using Social Media (Facebook) as a means of communicating with parents and families. She suggested the use of a Facebook Page as the best way of providing information from the District Wellness Committee should the Committee wish to explore the use of Facebook.

3. James Williamson suggested that we schedule the next Wellness Committee meeting in January rather than waiting until February. We agreed to schedule that meeting for January 29th.

4. Meeting adjourned at 9:00 AM.
