All Student Announcements

Today, Wednesday is an **A** Day for all students.

2025 Youth Risk Behavior Survey (YRBS) – Students in Grades 6th – 12th – Our school is taking part in the biannual 2025 Youth Risk Behavior Survey on Monday, February 17, 2025. This will take place during your lab time from 2:10 – 3:00. This Youth Risk Behavior Survey (YRBS) collects important information like this, so that resources that can help students are sent to the right place. Take this survey! Tell your friends! The more information the state has the more change we can make ---together.

Found: A pair of sunglasses. If you might have misplaced a pair, please see Renee in the main office.

Please note that we HAVE school on Monday, 2/17.

ATTENTION STUDENTS. The National Honor Society is selling carnations and candy for Valentine's Day from now until February 13th. Flowers and candy will be sold in the front lobby in the morning and in the cafeteria during high school and middle school lunch. Flowers are \$3.00 each or 2 for \$5.00. Candy ranges from \$1.00 – \$2.00. You have the option to send a personal message as well. Carnations and candy will be hand delivered on Friday, February 14th.

Aiken Discover Engineering Day, Saturday, February 22, 2025 – Discover Engineering is a day of hands-on learning and exploration for youth in 5th – 12th grades to learn about engineering, build skills, and network with college students, professors, and professionals in the field. Organized by UVM's College of Engineering and Mathematical Sciences (CEMS) and UVM Extension 4-H, the day includes an Engineering Scavenger Hunt (interactive exhibits showcasing various types of engineering and career pathways), and an afternoon of learning through hands-on workshops. Lunch provided. Register at <https://go.uvm.edu/2025>

VTeen Science: February 15, March 22, April 12 & May 10. UVM-4H is offering monthly hands-on science workshops by UVM faculty, graduate students and other STEM professionals and coordinated by the 4-H VTeen Science Ambassadors. These are excellent opportunities to learn about a breadth of careers and current research in a variety of STEM fields. Workshops are for teens age 13+. Cafés take place on UVM campus on Saturdays from 5:00–7:00 pm and pizza and soft drinks will be served. Upcoming topics include: February 15

Finding Patient Zero: Tracking Disease Outbreaks, March 22 Medical Laboratory Science, April 12 Brain Parasites, Behavior, and Public Health and May 10 Stop the Bleed: Emergency Medicine.
