(2 hour class)- Open to ELL students entering grades 6- 8 who have an English language proficiency level of 1 or 2. ELL students in this class will continue to develop their oral language, vocabulary and literacy skills by engaging in a variety of high-interest texts. Students will have opportunities to read, write, share their ideas, and listen to others as they explore books and topics from all content areas.

### **English Language Learners Literature Exploration**

**\$5.00**

(1 hour class)- Open to ELL students entering grades 6-8 who have an English language proficiency level of 3- 5. ELL students in this class will immerse themselves in a variety of high-interest texts, including poetry, literature, and informational texts that represent many perspectives. Students will dig deep into the books, exploring the stories and characters to support their written reflections and collaborative conversations.

### **Extraordinary Experiments**

**\$10.00**

Students will explore the ideas and concepts of science through many different activities and experiments, which may include making their own silly putty or bouncy balls. Students will create many different chemical reactions, explore different scientific ideas through projects, and begin to understand the science involved in so many common situations and objects we see every day.

### **Fitness Fun**

**\$5.00**

Students will learn the fundamentals of cardio training, resistance training and stretching. Students will learn with a variety of methods and equipment to reach their peak performance. This class is for beginners both male and female to gain muscle tone, burn some calories, and promote a healthy life style.

### **Forensics- Speech and Debate**

**\$5.00**

Students will explore the two genres of forensics in WI (Interpretation of Literature and Public Speaking). They will use plays, stories, poems, or their own writings to focus on the details of preparing a quality performance using various communication skills including speaking and listening. Learn how to play with different acting techniques that address line interpretation, character development, stage fright, body language, and improvisational theater in a solo, partner, or group setting. Leave this class ready to perform on your school's forensics team having explored the 15 different events available to middle school students in our state.

### **Free Choice Art**

**\$10.00**
