College Knowledge

The SC Commission on Higher Education, has developed a **"Palmetto Calculator"** to help students understand the cost of attending some of SC public colleges or universities. Students can enter their FAFSA **"Estimated Family Contribution"** as well as other scholarships, loans, etc. to help determine cost.

Don't see the college you want to attend on the **"Palmetto Calculator"**? Every college has a **"net price calculator"** so visit the financial aid page of your chosen colleges/universities website for more information.

College Application Types: What's the Difference? Here's an easy-to-share guide about the different application timelines — early decision, early action, early decision II, rolling admission and regular decision — that will help your students better understand the benefits and drawbacks of each option.
