**DISCOUNT:** No discount of any price for the contract period for acoustic ceiling products (see price list). For all flooring products needed we can supply at cost plus 15% (price lists are 100s of pages in length and not practical- please call). An additional discount for volume may apply but product and quantity dependent for the quantity price brackets. Discounts will not apply to special flyers nor sale catalogs.

**AREA(S) OF CONSIDERATION:** Representatives will service the district if desired upon request. Acoustical Ceiling; Floor Covering Materials & Supplies. Please note that the ceiling material list is complete and stand alone. The flooring products we offer number over 100,000 items from over 500 manufactures, so price listing is not practical, instead we offer wholesale cost plus 15% pricing (which is a significant discount off retail). We can have samples to the district very quickly; usually in one day. We can help narrow down product selections or provide any other help or assistance desired.
